How to make a PANTS

BOOK

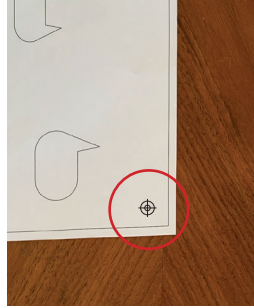

STEP 1

Gather your supplies. To make a book you will need scissors, a printed template, and your favorite art supplies (pencil, felt-tip pens, markers, colored pencils, crayons, etc.)

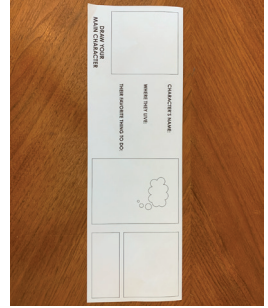

STEP 2

The printed template needs to be trimmed. Find the scissors icon on the "Draw Your Main Character" side of the page and follow the dotted line.

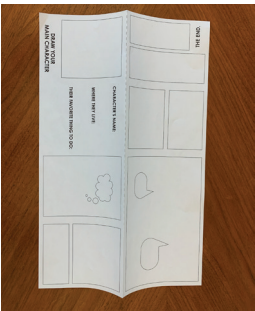

STEP 3

Be sure to print two-sided. If you can't do that, you can print two pages and tape them back to back. If taping, look for the target mark and line up the front and back page accordingly.

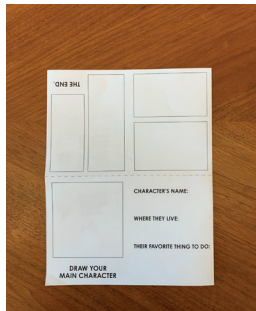

STEP 4

With the "Draw Your Main Character" side of the page facing up, fold the paper "hot dog style."

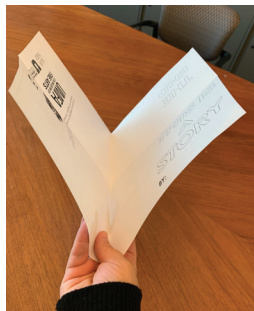

STEP 5

Open the page so you can see the whole paper and fold the paper again, this time "hamburger" style, with the "Draw Your Main Character" section facing up.

STEP 5.1

STEP 6

Open the page and flip it over in your hand so it makes the letter "V". Fold each side of the paper in half to make the letter "M".

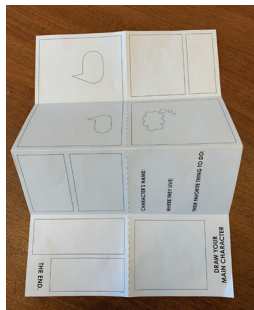

STEP 6.1

STEP 6.2

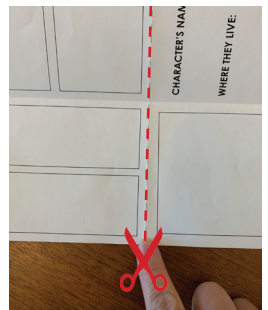

STEP 6.3

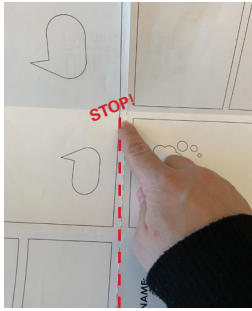

STEP 7.1

Open the entire page again and find the dotted line that goes up the center of the paper 3/4 of the way. Cut the center of the paper along the dotted line.

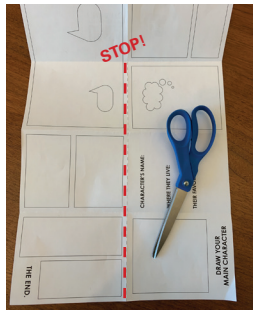

STEP 7.2

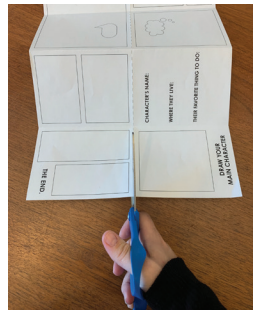

PAY ATTENTION! You are only cutting your paper 3/4 of the way, not all the way!

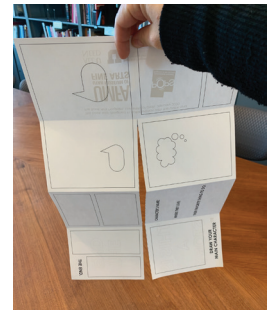

STEP 7.3

STEP 7.4

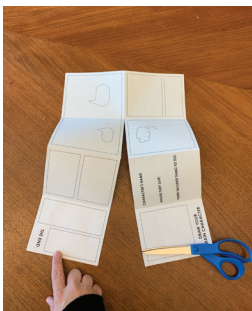

STEP 7.5

STEP 8

Why do you think this book is called a PANTS BOOK? Do you see the pants?

STEP 8.1

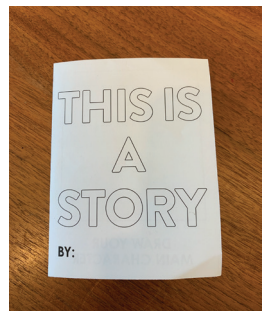

Following the folded lines, fold up the pages on each side of the cut. Fold in half and your book is complete!

STEP 8.2

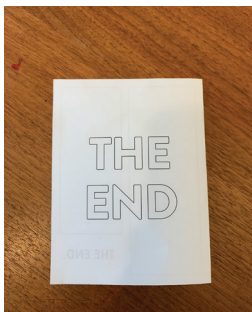

STEP 8.3

STEP 9

Have fun using your creativity and imagination to fill in the pages of your story.

STEP 9.1

- Start by following the prompts to create a main character and then design a story about something that happens to that character (the conflict) and how it ends (the resolution).
- Think about the setting of your story – where does it take place? In the Museum? In space? Inside your house?

We would love to see your finished books! Remember to snap a picture and share with us on social media #UMFAathome.
