

PRE-LESSON

This winter's tour pre-lesson explores each of the Elements of Art: color, line, shape, space, and texture through a series of short 10-minute **"bell-ringer"** activities.

You can do one each day the week before your UMFA tour or do them all at one time!
We hope you and your students enjoy a discovery of the Elements of Art!

READY, SET... ART!

- ◆ Look closely at the following two works of art!
- ◆ Discuss and describe the colors you see in both works!
- ◆ How are these works of art the same and different?
- ◆ Where do you see warm/cool, primary/secondary colors?
- ◆ How do the artists use color to tell stories in the artworks?
- ◆ Can a color be a symbol of something?

COLOR!

Based on the colors you see, what do you think the weather is like?

Describe the colors using some of the language on the previous slides.

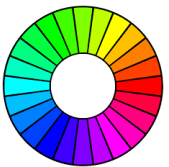

J. Johnny, ***Bella Coola Sun***, 1979

How does the artist use color to help you see the details of this artwork?

Unidentified artist,
Nigeria, Yoruba Peoples,
King's Hat, 20th century

How are these artworks the same/different?

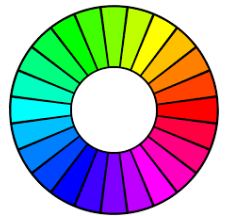

What might these colors be symbols of?

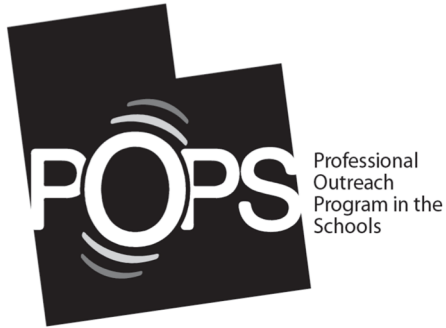

WRAP UP!

- ❖ Ask students to share one word they would use to describe the artworks through color. Use words that really describe the artworks, not just "cool" or "different."
- ❖ Write the words on the board.
- ❖ As a class, write a short story using the words on the board. What story did you come up with about the artworks?
