

# PRE-LESSON

This winter's tour pre-lesson explores each of the Elements of Art: color, line, shape, space, and texture through a series of short 10-minute **"bell-ringer"** activities.

You can do one each day the week before your UMFA tour or do them all at one time! We hope you and your students enjoy a discovery of the Elements of Art!

# EXPLORE SHAPE!

**SHAPE:** A closed line. Shapes can be geometric, like squares or circles; or organic, like free form or natural shapes. Shapes are flat and can express length and width.

**Form:** Three-dimensional shapes expressing length, width, and depth. Some examples of forms are: balls, cylinders, boxes, and pyramids.
